Kiplinger's Personal Finance 1957

how can a personal desire to leave a lasting mark and criticism of the
german university system lead to the establishment of an internationally
renowned institution of higher education klaus brockhoff provides the
answer to this question by accurately tracing the detailed 35 year history
of whu otto beisheim school of management and highlighting all of its
highs and lows in the process despite the challenges associated with
founding and operating an institution of higher education it was always
and will continue to be the remarkable spirit of the donor university
administration members employees as well as students alumni and
sponsors that make a decisive contribution to the overall success of whu
at the same time the history of whu may also serve as an example for
other universities wanting to position themselves successfully amid
international competition that is becoming increasingly dynamic ever
since the establishment of whu professor dr dr h c klaus brockhoff has
been monitoring the institution s evolution served as its dean for five
years and then went on to be part of the foundation s executive board for
13 years his presentation relies on a comprehensive document analysis in
addition to personal conversations with numerous contemporary
witnesses and members of whu the beisheim foundations in switzerland
and germany remain committed to promoting the philanthropic legacy of
otto beisheim one of the co founders of metro at the same time both
foundations are the primary sponsors of WHU which has borne the name of the entrepreneur Otto Beisheim School of Management ever since he demonstrated such impressive personal commitment in 1993 the Beisheim foundations are the editors of this publication which will also be published in German
