If you get an electronic parking brake failure and the brake is locked so the car cannot move, you can use the emergency release to manually release the handbrake. Handbrake takes videos you already have and makes new ones that work on your mobile phone, tablet, TV, media player, game console, computer, or web browser, nearly anything that supports modern video formats. This quick start guide assumes you have already downloaded and installed Handbrake. All versions welcome. To quickly get started, continue to quick start to get a copy of Handbrake—it's free.
