**Love Letters to the Dead** 2018-01-30 It begins as an assignment for English class: Write a letter to a dead person. Laurel chooses Kurt Cobain because her sister may have loved him and he died young just like May did. Soon, Laurel has a notebook full of letters to people like Janis Joplin, Amy Winehouse, Amelia Earhart, Heath Ledger, and more. Though she never gives a single one of them to her teacher, she writes about starting high school, navigating new friendships, falling in love for the first time, learning to live with her splintering family, and finally about the abuse she suffered while May was supposed to be looking out for her. Only then, once Laurel has written down the truth about what happened to herself, can she truly begin to accept what happened to May and only then when Laurel has begun to see her sister as the person she was lovely and amazing and deeply flawed can she begin to discover her own path in this stunning debut from Ava Dellaira.

**This Is Not a Love Letter** 2014-03 A long, beautiful, heart-breaking love letter to potential and possibilities and hope to the pain we survive in youth and carry with us into adulthood. NPR Book Reviews: One week that’s all Jessie said. A one-week break to get some perspective before graduation before she and her boyfriend Chris would have to make all the big, scary decisions about their future. They had been fighting about for weeks. Then Chris vanishes. The police think he’s run away, but Jessie doesn’t believe he’s popular and good looking about to head off to college on a full ride baseball scholarship and he disappeared while going for a run along the river. The same place where some boys from the rival high school beat him up just three weeks ago. Chris is one of the only black kids in a depressed paper mill town and Jessie is terrified of what might have happened as the police are spurred to reluctant action. Jessie and others speak up about the harassment Chris experienced and the danger he could be in but there are people in Jessie’s town who are infuriated by the suggestion that a boy like Chris would be a target of violence. They smear Chris’s character and Jessie begins receiving frightening threats every Friday since they started dating. Chris has written Jessie a love letter. Now, Jessie is writing Chris a letter of her own to tell him everything that’s happening while he’s gone. As Jessie searches for answers she must face her fears, her guilt, and a past more complicated than she would like to admit.
