Fire Dance 2014-03-31 the present work concludes the important and
monumental undertaking of islanders in the stream a history of the bahamian
people creating the most thorough and comprehensive history yet written of a
caribbean country and its people in the first volume michael craton and gail
saunders traced the developments of a unique archipelagic nation from
aboriginal times to the period just before emancipation this long awaited
second volume offers a description and interpretation of the social
developments of the bahamas in the years from 1830 to the present volume
two divides this period into three chronological sections dealing first with
adjustments to emancipation by former masters and former slaves between
1834 and 1900 followed by a study of the slow process of modernization
between 1900 and 1973 that combines a systematic study of the stimulus of
social change a candid examination of current problems and a penetrating but
sympathetic analysis of what makes the bahamas and bahamians distinctive
in the world this work is an eminent product of the new social history intended
for bahamians others interested in the bahamas and scholars alike it skillfully
interweaves generalizations and regional comparisons with particular
examples drawn from travelers accounts autobiographies private letters and
the imaginative reconstruction of official dispatches and newspaper reports
lavishly illustrated with contemporary photographs and original maps it stands
as a model for forthcoming histories of similar small ex colonial nations in the
region
