The Quest for the Dark Tower
Stephen King's The Dark Tower Concordance

2007-05

a collection of short fiction features L T S theory of pets lunch at the gotham café and in the
deathroom as well as 1408 about a writer whose stay in room 1408 at the dolphin hotel turns his life
upside down

The Quest for the Dark Tower

2021-03-22

a sprawling epic that encompasses many worlds parallel and alternate timelines and the echoes
between these disconnects
stephen king's dark tower series spans the entirety of king's career from
the gunslinger limited edition 1982 revised in 2003 to the wind through the keyhole 2012
the series
has two distinctive characteristics its genre hybridity and its interconnection with the larger canon of
king's work the dark tower series engages with a number of distinct and at times dissonant genre
traditions including those of arthurian legend fairy tales the fantasy epic the western and horror
the
dark tower series is also significant in its cross references to king's other works ranging from overt
connections like characters or places to more subtle allusions like the sigil of the dark tower's
crimson king appearing in the graffiti of other realities this book examines these connections and
genre influences to consider how king negotiates and transforms these elements why they matter
and the impact they have on one another and on king's work as a whole

Stephen King's The Dark Tower Concordance

2012-11-06
the dark tower is now a major motion picture starring matthew mcconaughey and idris elba the dark
tower series is the backbone of stephen king s legendary career eight books and more than three
thousand pages make up this bestselling fantasy epic the complete concordance is an entertaining

nonfiction book on writing published in 2000 works discussed in this volume include duma key the
girl who loved tom gordon under the dome joyland and dr sleep

A Brief Guide to Stephen King

2014-03-20

2014 marks the 40th anniversary of the publication of stephen king s first novel carrie in april 1974
rescued from the rubbish by his wife tabitha the novel launched the maine schoolteacher on a
prolific and extraordinarily successful career his name has become synonymous with horror and
suspense through over fifty works including the dark tower a retelling of byron s childe harold to the
dark tower came simpson traces the writer s life from his difficult childhood his father went out to the
shops and never came back through his initial books under the pseudonym richard bachman to the
success of carrie salem s lot and the shining in the 1970s and beyond he examines how king s
writing was affected by the accident that nearly killed him in 1999 and how his battles with alcohol
and addiction to medication have been reflected in his stories the guide will also take a look at the
very many adaptation s of king s work in movies on television and radio and in comic books
now known worldwide for his horror creations in best selling books and popular film adaptations, Stephen King spent years in obscurity trying to find his voice and his audience for much of his career. He chose to remain in the small town of Maine of his youth far from glittering publishing and film centers. Yet few American writers can now equal his hold on audiences worldwide. This biography traces King's evolution from would-be pulp magazine writer to master of his craft, whose work both epitomizes and transcends the horror genre.

this companion provides a two-part introduction to best selling author Stephen King, whose enormous popularity over the years has gained him an audience well beyond readers of horror fiction, the genre with which he is most often associated. Part I considers the reception of King's work, the film adaptations that they gave rise to, the fictional worlds in which some of his novels are set, and the more useful approaches to King's varied corpus. Part II consists of entries for each series novel, story, screenplay, and even poem, including works never published or produced as well as characters and settings.

the myriad worlds and universes King has created are in reality one world, one universe. Here is the guide to that universe: The Complete Stephen King Universe. This is the only definitive reference work that examines all of Stephen King's novels, short stories, motion pictures, miniseries, and teleplays, and deciphers the threads that exist in all of his work. This ultimate resource includes in-depth story analyses, character breakdowns, little-known facts, and startling revelations on how the plots, themes, characters, and conflicts intertwine. After discovering the complete Stephen King universe, you will never read Stephen King the same way again.

praise for the previous edition: Booklist RBB Twenty Best Bets for Student Researchers; RUSA ALA Outstanding Reference Source; Useful Recommended for Public Libraries and Undergraduates.
Three Hollywood Stalwarts in Literature

2022-03-15

Magill's Literary Annual 2003
magill’s literary annual 2003 is the fiftieth publication in a series that began in 1954. the philosophy behind the annual has been to evaluate critically 200 major examples of serious literature published during the previous year. our focus is to provide coverage for works that are likely to be of particular interest to the general reader that reflect the publishing trends of a given year that add to careers of authors being taught and researched in literature programs and that will stand the test of time by filtering the thousands of books published each year down to two hundred notable titles. the editors have provided the busy librarian with an excellent reader’s advisory tool and patrons with fodder for book discussion groups and a guide for selection. the essay reviews in the annual also provide a more academic reference review of a work than is typically found in newspapers and other periodical sources. this year’s works are drawn from such categories as anthropology, autobiography, biography, current affairs, diaries, economics, environment, essays, history, language, literature, criticism, medicine, memoirs, nature, philosophy, poetry, psychology, religion, science, short fiction, sociology, technology, travel, and women’s issues. the articles are arranged alphabetically by book title. a complete list of included titles can be found at the beginning of volume 1. each 2,000 word article begins with a block of top matter that indicates the title, author, publisher, and price of the work. when possible, the year of the author’s birth is also provided. the top matter also includes the number of pages of the book, the type of work, and when appropriate, the time period and locale represented in the text. next comes a capsule description of the work when pertinent. a list of principal characters or personages with brief descriptions introduces the review. these original essay reviews analyze intent and relative success of the author and the work under discussion to assist the reader. further, the articles are supplemented by a list of additional reviews for further study. every essay includes a brief biography of the author or authors and thumbnail photographs of the book covers and authors are included as available at the end of volume 2. there are four cumulative indexes listing works covered from the years 1977 to 2003. an index of biographical works by subject, a category index, a title index, and an author index. the index of biographical works by subject is arranged by subject rather than by author or title.

The Gothic Literature and History of New England

the gothic literature and history of new england surveys the history, nature, and future of the gothic mode in the region from the witch trials through the black lives matter movement. texts include cotton mather and other puritan divines who collected folklore of the supernatural, the frontier gothic of indian captivity narratives, the canonical authors of the american renaissance such as melville and hawthorne, the women’s ghost story tradition, and the domestic gothic. the work brings to the surface the religious intolerance, racism, and misogyny inherent in the new england gothic and how these nightmares continue to haunt literature and popular culture films, television, and more.
