CPT 1999 1995-12-31

This is the official CPT code book published by the American Medical Association. The 1999 CPT provides hundreds of new and revised CPT codes. Double columns on each page allow more codes to be viewed plus an expanded index to aid in locating codes by procedure/service, organ condition, synonym, or eponym and abbreviations.

Current Procedural Terminology codes

CPT 2002 2001

The annual CPT standard edition provides convenient access to a listing of descriptive terms and identifying codes for reporting medical services and procedures performed by physicians and other health care providers. CPT codes provide an effective means for reliable nationwide communication among physicians, patients, and third party payers.

CPT 2012 2011

CPT 2007 is the official list of codes and nomenclature published by the American Medical Association. It includes about 7,000 five-digit codes that are intended for the designation of physician performed procedures and services. These procedures and services include evaluation and management, anesthesia, surgery, radiology, pathology, and laboratory and medicine. The AMA copyrights the book and its contents.
